PROCESS CHANGE/NEW KNOWLEDGE

TOPIC 3: No One Dies Alone (NODA)

NO One Dies Alone (NODA) is new program of Kaweah Delta that is supported by employees and volunteers to ensure that no patient dies alone.

Criteria:
◊ **Patients on comfort care and the family is not involved or not present**
◊ **DNR status expected to die within 48-72 hours and the family is not involved or not present**

What staff need to know about the Activation of NODA:
◊ Use the Vigil Flow chart to activate NODA
  1. Patient has no family visiting
  2. Attending RN discusses NODA with the Charge RN (CN)
  3. Determine if NODA is appropriate
  4. CN request NODA via House Supervisor
  5. House Supervisor contacts NODA Vigil Coordinator and activates team

See the Vigil Flow Chart to ensure you are following the correct steps to activate NODA.

For additional information on NODA you may contact chaplain services or NoOneDiesAlone@kdhcd.org
