**NUMBER OF STUDENTS:** Maximum of 1 student

**VISITING STUDENTS:** Yes

**DESCRIPTION:**

During this elective, the student will be on a vascular team. The day-to-day evaluation of vascular patients includes invasive and noninvasive vascular testing. The examination of these patients will include determination of claudication, tissue loss and impeding gangrene. The selection of appropriate therapies be they endovascular, open vascular and medical options.

**EVALUATION:**

All end of rotation evaluations will be sent to Medical Student Coordinator. The coordinator will distribute for completion and will send completed form to school.

**\*Selective Attendance and Illness Policy**

In order to insure adequate clinical exposure, no more than 3 days of excused absences, including interview days can be accepted during your rotation. While excused, these days must be made up. This policy does not imply that absences are guaranteed; absences may be excused at the discretion of the faculty. Absence due to illness must be reported to the Coordinator as well as the faculty or his/her designee as soon as possible. In case of extended absence (2 days or more), a note from a physician (who is not a relative) is required and the absence will be reported to the Office of Student Affairs. A physician note may be requested for any absence, at the discretion of the faculty. **Any planned absence must be registered with the coordinator prior to the first day of the rotation.** Further attendance requirements may be covered during the first day orientation.
