KAWEAH DELTA HOSPITAL FOUNDATION
MODERNIZATION
2021 | CAMPAIGN
Every gift counts

Liz Wynn, Foundation Director

It is with a humble heart, I thank each of you for donating to the Kaweah Delta Hospital Foundation. I recently had a personal experience with my dear husband, Ray, where the impact of what we do hit very close to home.

In early January, 2021 Ray had a severe dissected thoracic aorta. This is a very serious condition with less than a 25% survival rate. The phenomenal Kaweah Delta Emergency Department team diagnosed Ray promptly and the cardiothoracic surgeon, Dr. Carrizo, quickly stabilized his condition. Concurrently, arrangements to airlift him for a nine hour emergency surgery.

As I walked out to the helipad with our Kaweah Delta transport team, I thought about all of you who made this possible. That may sound crazy, but it is true. The rapid diagnosis, stabilization, and quick transport saved his life!

Many of you have dedicated your time and finances to the Foundation over the years allowing life-saving equipment to be available for everyone. Your donations have funded the helipad, state-of-the-art medical care equipment, facilities, and technology continually improving the health outcomes for our entire community. With this in mind, I am pleased to announce our 2021 Modernization Campaign.

The 2021 Modernization Campaign represents the collective requests of our frontline medical teams who work diligently around the clock to treat our patients. These requests are indicative of their commitment to improve patient care. A full campaign description is included in this update. It is our hope you will continue to support the Kaweah Delta Hospital Foundation in 2021. As you consider our request, the volunteer Foundation Board of Directors and Kaweah Delta Employees will also be contributing personally and reaching out to our community for support.

Unfortunately, these challenging times have left our hospital reserves depleted only amplifying our own purpose to lend support to our medical district, patients, and Kaweah family. Our medical professionals continuously face many unforeseen challenges. Still today and over the past many months, our teams have treated hundreds of COVID patients, continue to run COVID testing sites, and now are helping to vaccinate our community in order to defeat this horrible pandemic.

Again, I want to thank you for your consideration to donate to our 2021 Modernization Campaign. Because of you, Kaweah Delta remains at the forefront of our health care industry. Our Kaweah family is here to help you, and your family, for a planned visit, or as in our circumstance during an emergency with only a seconds notice.

THE HERITAGE CLUB was established in 1986 to honor community members who have chosen to leave a lasting legacy by providing for the advancement of health care at Kaweah Delta. Every one of the generous 500 club members has made a gift of at least $5,000 by will, trust, life insurance, or cash towards the endowment fund. The legacy of our donors will save lives for years to come.

A charitable gift is a fulfilling and generous way to help shape the world around you. In return, we promise to strive to provide award-winning health care today and for future generations.

Every gift counts

Tony Benevento, Foundation President

Happy New Year! On behalf of the volunteer board of the Kaweah Delta Hospital Foundation we want to thank you for your support in 2020. The KDHF Board recognizes the challenges you have faced through the COVID pandemic and we cannot express our appreciation enough for all of your long hours and hard work.

I have never been more honored to be President of the Foundation. To be associated with an organization that has risen to the challenges presented this year has been humbling and a source of great pride. I know our Kaweah Delta staff have received countless meals, cards, equipment donations, and thanks, but this barely scratches the surface of how appreciative our community is of Kaweah Delta and its incredible people.

I am also pleased to announce that the HOPE IN MOTION campaign has been completed. Between our Kaweah Delta Staff and generous community, we have raised the funds necessary to install this game-changing piece of equipment at our rehab hospital. Engineering and OSHPD approvals are underway and we hope to have the SafeGait completed and installed by end of 2021.

We are also pleased to unveil our 2021 MODERNIZATION Campaign. The project and equipment requests came directly from the medical staff at Kaweah Delta. To make the hospital world-class, we need to upgrade items in our Emergency Department, Mother/Baby, Acute Care, Endoscopy, hospital cafeteria and other departments, requiring about $1.6 million over the next 18 months. If you are interested in participating in this campaign please contact the Foundation Staff at (559) 624-2359 or foundation@kdhcd.org, or visit the Foundation website at www.kaweahdelta.org/foundation. Our annual Golf Tourney will also benefit this great cause in August 2021; stay tuned for more details on that event!

Once again, I am amazed by your dedication to Kaweah Delta and your community. We are ***stronger together***.

Recognize an Extraordinary Nurse!

The **DAISY AWARD** honors the superhuman work nurses do every day for patients and their families. Please complete a nomination form below or at **kaweahdelta.org/daisy**

SUBMIT A NOMINATION

Everyone - including patients and visitors - is invited to nominate a nurse who goes beyond the call of duty.

KAWEAH DELTA HOSPITAL FOUNDATION

Guardian Angel

If you have received exceptional care from a doctor or any member of our caring staff please nominate them for a Guardian Angel award.

If you also want a way to give back, please consider a donation (optional) to the Kaweah Delta Hospital Foundation, in honor of the doctor, nurse, or medical staff member that cared for you or your family member. Go to, **kaweahdelta.org/angel** for more information.

Kaweah Delta Hospital Foundation | EVERY GIFT COUNTS

Rick Feder, New Foundation Board Member

Rick joined the Foundation Board of Directors this year. He's lived in Visalia for 10 years working as the Senior General Manager of Visalia Mall and Fig Garden Village, where he oversees overall operations, marketing, leasing and development.

His 35-year career in property management has taken him around the county, starting with his home in the Chicago area to stops in Florida, Tennessee and New Mexico. He'd had a chance to come to Visalia in 2004, but instead decided to go back to Chicago to be close to family. But 10 years living in Florida in the 1980s had "thinned my blood," and he found the cold weather didn't appeal to him anymore. Luckily, the chance to come to Visalia opened up again in 2011, shortly after one of the worst blizzards ever in the Midwest. Along with his wife, Jennifer, and two sons, Joshua (20) and Matthew (18), he made the move to a city he says has "welcomed him with open arms."

Rick is no stranger to being an active community member, as he's Past Chair of the Visalia Economic Development Association and Visalia Chamber of Commerce. He's also a board member of the Visalia Convention Visitors Bureau (VCVB), Visalia Partners in Education (VPIE) and VUSD Linked Learning Academy of Business Finance, Visalia Chambers of Commerce -Government Affairs Committee and City of Visalia's Measure N Oversight Committee. "Giving back to the community is important to me," Rick explains. "I like to lead by example—for my staff, my boys, my community." Visalia is a very giving community, he said, noting how the area has responded to the COVID-19 crisis by helping people and businesses that have been struggling.

The Foundation is part of that response, he said, and so being on the Board is a great way to help out. He's also proud of the great work Kaweah Delta is doing, such as partnering with the Cleveland Clinic. "It's a great organization to be associated with," he said. Once the pandemic has passed and travel is safe again, Rick and his family look forward to checking out other parts of the state, especially northern California. While he still owns a condo on Chicago's famed Lake Shore Drive, Rick says he's here to stay, with that picture of the winter of 2011 in his mind reminding him of why he left the Windy City. Now, he can just look at the snow on the mountains if he needs a winter fix.

MODERNIZATION
2021 | CAMPAIGN
Every gift counts

The Modernization Plan

In calendar year 2020 and throughout the first half of 2021, Kaweah Delta Hospital District financial resources targeted staffing, retrofitting and equipping the Main and West Campuses for the treatment of the large influx of COVID patients. In addition, the lack of insurance reimbursement for treating the high volume of COVID patients depleted the District's operating and reserve budgets. Consistent with our vision to provide excellence in healthcare for our community, the Kaweah Delta Hospital Foundation Board of Directors voted to fundraise for projects and equipment requested by frontline medical teams throughout the District in order to "modernize" our facilities. Each of these requests is in line with our mission to focus on excellence in healthcare

What does modernization mean? Kristie Alvarado, RN, explains it: "To provide better patient care, better resources, to have great outcomes, but most of all, to save lives."

What we need to modernize Kaweah Delta:

- New bassinets for Mother/ Baby
- Bladder scanners to protect patients throughout the hospital
- Pediatric rooms for the Emergency Department
- Endoscopy Ultrasound – for gastrointestinal and lung diseases
- Acute care ventilators— for long-term use
- Ambrosia Café remodel
