It is **Kaweah Delta Health Care District's goal to help you** – our valued patient – better understand any out-of-pocket financial responsibility you may have when seeking health care services at Kaweah Delta.

There are a few departments within Kaweah Delta Health Care District that have CDMs specific to their unique service line.
*The letters "**HH**" in front of a number combination in the CDM column mean that CDM is specifically for our **Home Health** service line.
*The letters "**KDHIP**" in front of a number combination in the CDM column mean that CDM is specifically for **Kaweah Delta Home Infusion Pharmacy** service line.

*An important note is that the maintenance of CDMs and Billed Charges amount is an ongoing process throughout the year, and may necessitate routine updates. Kaweah Delta plans to post quarterly updates to our website in efforts to remain as current as possible with Price Transparency.

*Another important note is that typically billed charges do not reflect the actual price a patient, or guarantor, will pay. For example, billed charges do not take into account any contracted rates with insurance plans or discounts a health care provider applies when a patient, or guarantor, pays in cash.

It will be our pleasure to talk you through the process. Please call the **Kaweah Delta's Patient Access direct line, 559-624-4100**, and speak to a knowledgeable representative, available 8am to 5pm, Monday - Friday.

**Format Descriptions**

Service Description-outlines whether a service can be paid at the single charge of grouped within a package of charges
