

SAME-DAY RESULTS

COVID-19 TESTING

ALL ARE WELCOME | BY APPOINTMENT ONLY

Kaweah Delta is proud to offer safe, secure, and fast COVID-19 testing to all community members, regardless of symptoms.

Nasal swab tests can be performed on adults and children, and there are no out-of-pocket costs for anyone receiving services. COVID-19 testing is available to all symptomatic and asymptomatic patients, and test results are ready on the same day! Call us today to schedule your appointment.

HOW IT WORKS:

Step 1: Call (559) 624-4110

We'll schedule you for a phone appointment with a provider to order your test.

Step 2: We'll call you to register you for your appointment.

You will be asked to provide a summary of symptoms (if any), insurance information (if any), medical history, medications being taken, and a list of allergies.

Step 3: We'll call you to schedule your same-day walk-up test.

We will call you with your appointment time and location.

Who can call?

Anyone. Rapid testing is available for all people. You can be tested even if you don't have symptoms.

What does it cost?

There is no cost to anyone receiving services. Insurance will be billed. For those without insurance, the State will cover the full cost of testing.

Where are the testing sites?
