

Kids Out of School?

We have a solution at Sensory Rock! ❖❖

Yesterday, just before I picked my boys up from school, my husband, Jeff, called to tell me that **school was cancelled** for the next several weeks. As a working parent, this was unexpected! ❖❖❖❖❖❖

I know that due to some of the COVID-19 restrictions, many of you are in the same boat as my husband and I - and are in a **work/childcare dilemma!** That's why we made the decision to create a drop-off opportunity at Sensory Rock.❖❖

Here's how it works:

If you are a working parent with children between the ages of 4-14, **we are offering a drop-off opportunity for \$35.00 per day.** We have add-ons available for additional fees, such as help with schoolwork, or a Physical Education component (PE.)

❖❖❖❖Children must be symptom free: No sore throats❖❖, runny noses❖❖, respiratory issues ❖❖or fever❖❖.

❖❖❖❖A sack lunch ❖❖and socks ❖❖must be provided.

❖❖If you are interested or have questions, please **TEXT me (Sheri) at 559-707-7636.** We have limited space, so we will operate on a first come, first served basis.

Together we can help each other in this "new normal"!
