

# PROCESS CHANGE/NEW KNOWLEDGE

## TOPIC 1: Changes to IV Therapy: Transfusion of Blood & Blood Components Policy PC.28

**UPDATE:** Changes to the Transfusion of Blood and Blood Components policy have been finalized and are available in Policy Tech for your review.

### What staff need to know:

- ⇒ Non-licensed **clinical** staff certified for blood pick up has been added to expend/clarify who can pick p blood.
- ⇒ Product names changes: FFP is now **Thawed Plasma**
- ⇒ References to granulocytes have been deleted
- ⇒ IV In VIVO cross match section has been streamlined
