The Kaweah Health Foundation's 35th Annual Golf Classic will be held on Friday, August 4, 2023. We hope you will consider participating as an important sponsor. Tournament proceeds will support the Foundation's "Caring for Our Caregivers" Campaign.

### Reasons to Support . . .

Working in a profession with both physical and emotional demands, Kaweah Health's clinical teams always step-up to go the extra mile! Many times they work extra hours or shifts to take care of our patients - your family and friends.

Our caregivers love caring for us, even during the most challenging times. Imagine working long hours then being asked to give a little more. For this reason, we want to recognize and help our compassionate medical teams who in return give so much back to us.

"Caring for Our Caregivers" focuses on creating and renewing areas used by our Kaweah Health family everyday.

**Reflection Gardens** Three monuments honoring those healed, those who heal, and those lost. These garden areas will give staff and family members a place of peace and reflection.

**Renovating Break Rooms, Locker Rooms, and Lounges** Updating these essential work and break areas will provide an environment for rest and renewal during a challenging day.

**Top 100  
in the Nation**

**On behalf of the Golf Classic Committee and Kaweah Health Foundation, we hope you will join us for another great tournament!**

The continuing success of this event is due to the ongoing commitment of our sponsors, participants, and hard working volunteers all invested to ensure this tournament continues to be one of the finest around.
