

Employee Pledge Form

We hope you will support Kaweah Health Foundation by participating in the payroll deduction donation program. Funds donated will be used for the Kaweah Health Pediatric Unit Renovation & Short-Stay Surgery Unit Expansion/Remodel.

Tiny Feet, Big Steps

Life flies by in an Instant.

One moment, you're a child, carefree and full of play. The next, you're an adult, seeking joy despite life's aches and pains. No matter where you are on life's journey, Kaweah Health is here to support your healing.

Our **"Tiny Feet, Big Steps"** campaign is essential for critical updates to our Pediatric Unit and the 3E Surgical Recovery Unit. These units serve some of our most vulnerable patients—children, plus adults requiring surgeries to reduce pain and improve mobility. This campaign will enable us to remodel both units, increasing bed space and creating more comfortable, healing environments for our patients.

We invite you to join our **Tiny Feet, Big Steps** campaign, whether for the children in your life or a family member who may need surgery one day. Thank you for caring about the health of our community. Together, we can make a difference.

I want to participate at the following level:

- ☐ **FLAT FEE DONATION:** I will donate \$ _____ per pay period.
- ☐ **HOURLY CLUB DONATION - Full Time Employee:**
Enroll me in the HOURLY CLUB - I will donate one hour of my base pay per pay period.
- ☐ **HOURLY CLUB DONATION - Part Time Employee:** I am a part time employee and will donate one-half hour of my base pay per pay period. (Part time employees who work less than 60 hours per pay period may join the Hour Club by pledging one-half hour of their pay per pay period.)

I understand my payroll deductions will continue (and will rollover to future campaigns) until I instruct Kaweah Health Foundation to discontinue my donations.

Name, Print clearly _____ Birthday _____

Signature _____ Employee # _____ Date _____

☐ I decline to Participate. (Name only required)
